

HSElife NL

presents

SHERLOCK HOLMES

in the search of...

Drops

Are you the one who will be named
Sherlock Holmes of Oil & Gas Industry?
Do you possess the sharp eye and brilliant
mind for solving the unsolvable?
HERE IS YOUR CHANCE TO SHINE!

Dropped Objects

Why do objects fall from above?

How can we decrease the risk level?

How do we prevent potential drops?

Watch your head and **DROP US YOUR SUGGESTIONS.**

Join the campaign, take on the challenge and...

become a WINNER!

For more information about the campaign go to www.hselifenl.com

Background information on Dropped Objects
can be found on dropsonline.org
