

HSElife NL presents

# SHERLOCK HOLMES

in the search of...

Are you the one who will be named **Sherlock Holmes of Oil & Gas Industry?** Do you possess the sharp eye and brilliant mind for solving the unsolvable? **HERE IS YOUR CHANCE TO SHINE!**

## Dropped Objects

Why do objects fall from above? How can we decrease the risk level?

How do we prevent potential drops? **Watch your head and drop us your suggestions.**

Join the campaign, take on the challenge and...

**become a WINNER!**

For more information about the campaign go to [www.hselifenl.com](http://www.hselifenl.com)

 **HAZARD  
HUNTING**

Background information on Dropped Objects can be found on [dropsonline.org](http://dropsonline.org)
